# Storage Solutions

Efficient storage is vital for two key reasons - security of personal items and creating order in shared spaces.

With every space being different, whether at work, in learning spaces or at home, storage requirements can vary significantly.

For this reason we've designed our storage range to provide flexible options for diverse spaces.

The VE Furniture Storage Range combines form and function, delivering simple solutions for all your storage needs!

# OUR LOCKER DESIGN

## FEATURES & CONSTRUCTION

### Optional Sloping Top:

Great for keeping the tops of your lockers tidy.

### Fully Laminated Carcass:

All lockers come standard with sealed, laminated board for optimal hygiene, health and safety.

### Moisture-resistant base:

Each locker carcass is elevated with 40mm high base plinth to protect from any moisture or dirt from the floor.

### Heavy-duty Hinges:

Each door is secured to the carcass with heavy-duty hinges and tamper-proof rivets, built to withstand 24/7 use.

These hinges also facilitate economical door replacement in the event of vandalism.

### Fully ABS edged doors:

Doors are completely sealed for health and safety.

\*Doors can be routed to include locker numbering as an add-on option.

### 7-Year warranty and reinforced frame:

Locker frames are over-engineered to ensure long-term use, and absorb day-to-day knocks.

## THE BENEFITS OF FLEXIBLE STORAGE

Practical, flexible and mobile storage furniture form the essence of a thriving learning space.

Our mobile units offer more than just convenient storage solutions, they can also facilitate standing work as collaborative work benches or serve as semi-permanent space dividers to partition the flow of traffic through your space.

And, if your storage needs to stand out, any unit can be adapted to incorporate a new look with our interchangeable coloured totebox storage tubs.
